GLOBAL EXPRESSION OF INTEREST

Indraprastha Gas Limited (IGL) is a leading Natural Gas distribution company of India engaged in the business of distribution of Natural Gas for Automotive, Industrial, Commercial & Domestic segment in NCT of Delhi, adjoining towns of Delhi (National Capital Region) and in other states of India.

IGL has commissioned auto Liquefied Natural Gas (LNG) refuelling station at Ajmer in Rajasthan state and at Dadri (Gautam Budh Nagar) Terminal of CONCOR and is in the process of commissioning of more numbers of auto LNG refuelling stations to cater to increasing demand of automobile sector.

IGL has set an ambitious target for expansion of auto LNG footprint on Pan-India basis and is in discussion with various stakeholders for expeditious and cost effective installation of LNG refuelling stations to create LNG refuelling infrastructure along identified route.

In continuation to same, IGL hereby invites **Expression of Interest** from **Manufacturer/Authorized Channel Partner** for below mentioned equipment:

1.) Modularized/Containerized storage & dispensing equipment for Auto LNG refuelling.

1.0) OBJECTIVES OF EOI:

- In case, applicant is not having valid PESO approval (Mandatory requirement in India for LNG equipment), IGL shall provide assistance to Shortlisted applicants in obtaining required statutory approvals. However, IGL shall not provide any financial assistance to shortlisted applicants and expenses shall be borne by applicant only.
- Shortlisting of applicant doesn't guarantee any business/commercial transaction with IGL. It is to be noted that a separate process shall be undertaken by IGL for any procurement of LNG equipment.

2.0) ELIGIBILITY OF APPLICANT/OEM (ORIGINAL EQUIPMENT MANUFACTURER):

- OEM should have a demonstrable manufacturing capacity,
- OEM should have a demonstrable equipment complying to Global/Indian standards,
- Applicant/OEM should not be on Holiday List/Black List of any government organization/PSU/PSU JVs in India,

3.0) EoI PROCESS

Applicant shall submit an application as per **Annexure-I** and shall annexe below mentioned documents:

- Documents regarding registration of firm/entity of OEM,
- Documents regarding registration of firm/entity of Authorized Channel Partner (In case Authorized Channel Partner is an Applicant),

- Details of manufacturing facility of OEM,
- Details of equipment – Technical specifications, Material of construction, conformity/compliance to applicable Global/Indian standards etc.,
- Details of installations in last 7 years reckoning from the date of publishing of EoI. It is desirable to have satisfactory performance certificate from client/end user. In case, applicant has installed the equipment for own/captive requirement, the detailed report from a Third Party Agency on capacity assessment should be furnished.
- Any other relevant details.

Applicant may have to submit additional documents as per requirement of IGL for shortlisting. IGL may visit the manufacturing facility of the applicant.

- 4.0) IGL shall shortlist applicants on the basis of their credentials.
- 5.0) As the shortlisting process may take some time, it is desirable to have initial validity of application for 15 months from the date of publishing of EoI.
- 6.0) In order to have participation, EoI shall remain open for an initial period of 03 months or till the time of receiving of reasonable number of applications, whichever is earlier. Though, IGL reserves the right to extend the timelines of EoI as per its business need.
- 7.0) In case of any query, applicant can mail to **Email ID – iglbdcnp@igl.co.in** mentioning the details of EoI – **EoI for LNG Equipment Development** - in SUBJECT.
- 8.0) Applicants may submit their applications in below mentioned modes:
- I) Hard copies of application along with required documents in an envelope may be submitted at below mentioned address:

**ED (BD & CS)
5th FLOOR, IGL Bhawan, Plot Number-4, Community Centre,
Sector-9, RK Puram, New Delhi – 110022.**

Envelope should clearly mention the details of **EoI – EoI for LNG Equipment Development**.

OR

- II) Applicant may submit the application along with required documents at **Email ID – iglbdcnp@igl.co.in** mentioning the details of EoI – **EoI for LNG Equipment Development** - in SUBJECT.

ANNEXURE – I

Application against EoI for LNG equipment development

- 1.) Name of OEM:
- 2.) Name of Authorized Channel Partner (In case Authorized Channel Partner is Applicant):
- 3.) Type of firm of OEM: Proprietorship/Partnership/LLP/Private Limited etc.,
- 4.) Details of Audited Report of last 03 years of OEM (If applicable):

TABLE - I				
S.NO.	FINANCIAL YEAR	REVENUE	WORKING CAPITAL	NET WORTH
1				
2				
3				
NOTE: CURRENCY FIGURES IN USD.				

- 5.) Details of codes/standards complied/conformed for equipment:
- 6.) Details of installations of equipment in last 07 years:
- 7.) Details of Manufacturing facility:
- 8.) Details of person authorized for EoI application:
 - Name:
 - Designation:
- 9.) In case Authorized Channel Partner is Applicant, then, Applicant need to submit an authorization letter from OEM.

CHECKLIST (Application against EoI for LNG equipment development)

CHECKLIST		
S.NO.	DOCUMENTS	SUBMITTED (YES/NO)
1	APPLICATION ON LETTER HEAD DULY SIGNED	
2	DETAILS OF EQUIPMENT (PROCESS DIAGRAM, DETAILS OF MATERIAL OF CONSTRUCTION, FOOT PRINT OF EQUIPMENT, ELECTRICITY LOAD, IP CODE etc.)	
3	DETAILS OF MANUFACTURING FACILITY (AREA IN SQUARE METER, NUMBER OF MANPOWER, DETAILS OF TESTING FACILITY, CERTIFICATIONS etc.)	
4	AUTHORIZATION LETTER FROM OEM, IN CASE APPLICANT IS AUTHORIZED CHANNEL PARTNER	
5	AUTHORIZATION LETTER OF AUTHORIZED SIGNATORY	

NOTE: ALL DOCUMENTS SHOULD BE STAMPED AND SIGNED BY AUTHORIZED SIGNATORY.
